A Discipleship Journey – Hearing God Hearing God's Voice – August 29, 2021

"My sheep hear My voice, and I know them and they follow Me.
- John 10:27

Christianity differs from all other religions because of the dynamics of relationship.

The parable of the Sower:

Those beside the road – these heard, but it was stolen.

Those among the rocks – these hear with joy, not roots.

Those among the thorns – these hear but are choked by worries, riches and pleasures.

Those among the good soil – these hear with an honest, good heart, hold fast, bear fruit with perseverance.

God' pattern of speaking to us:

God speaks uniquely

God speaks personally

God speaks progressively

God speaks consistently

God speaks faithfully

God speaks unmistakably

Our preparation to hear God's voice:

Find a quiet place to get alone with God.

Fast and pray for God's will to be done in our lives.

Read God's word until He begins to speak with you.

Conclusion: We must be honest with God and ourselves about the circumstances in our lives that either assist or hinder our ability to hear the voice of God.
